Haryana Police Constable Physical Standard Test(PST)

- Candidates who belong to the dependents of ex-servicemen and dependents of freedom fighter categories are required to pass the Physical Screening Test with the same standard as the candidates belonging to categories like General, OBC-A, BC-B, SC, etc...
- Candidates who qualify for the knowledge test will appear as equivalent to 7 times the number of vacancies for the physical screening test which is only qualifying in nature. This will judge the physical fitness and endurance of the candidates. Here is a chart that shows the distance required for the candidates to cross a certain period:

Distance	TIME
2.5 Km(Male)	12 Minutes
1.0 Km(Female)	06 Minutes
1.0 Km(Ex-Serviceman)	05 Minutes

- It will be the responsibility of the candidate to have the required medical fitness to undergo this test.

- Candidates who fail to meet the prescribed standards for the Physical Screening Test will be excluded from the further selection process.
- The result of the physical screening test will be prepared by the Haryana Staff Selection Commission. The Haryana Staff Selection Commission will display it on its official website.
- Only candidates who meet the prescribed standards for physical screening test will be allowed to participate in the further process of selection.

Note: Relating to the dependents of Ex-Servicemen and The dependents of the freedom fighter category have to complete the physical screening test with the same standards as their respective categories i.e. "General, SC, BC-A, BC-B". Procedure for placing physical screening test and instructions before PST will be notified separately

Haryana Police Constable Physical Measurement Test(PMT)
